RE: Kindergarten Registration for 2017-2018

Kindergarten registration for Albany County School District #1 elementary schools, including rural schools, will be Monday, April 17 – Friday, April 21, 2017 during regular school hours. Parents may register children at their designated neighborhood school: Beitel, Centennial, Harmony, Indian Paintbrush, Linford, Rock River, Slade, Spring Creek or Valley View. If desired, boundary exception requests are available at neighborhood schools.

Children must be five (5) years old on or before September 15, 2017 to enter kindergarten in 2017-2018. Parents need to bring the child's birth certificate and record of childhood immunizations. Children entering kindergarten are required to have their immunizations up to date prior to the start of school in August 2017. The required immunization form is available at schools or any physician's office.

Enrollment in the Step Ahead summer transition program for children entering kindergarten is also available at the time of registration. If a child enrolls in the Step Ahead program, a kindergarten screening appointment is included in the program.

For more information, or for questions regarding the registration process, parents should contact their neighborhood school.
