End of Year Celebration & Wisdom Awards

The annual Celebration Convocation and Wisdom Awards will be Friday, May 31, 2019 starting at 1:30 p.m. We will celebrate our employees’ years of service and other career milestones. We received more than 30 nominations for Wisdom award winners, and we have a number of recognitions for years of service and retirements. Selections for Wisdom award winners and the district teacher of the year will be made this week. Invitations for this year’s event will be sent out by the end of the week.

Summer Plans

We are all working hard to finish the year and give the very best for our students and employees. We are focused on our work, but occasionally our attention turns to summer plans and how we will enjoy our time with family and friends during the glorious summer days in Laramie. I know some folks are making travel plans for extended vacations or educational pursuits. We are certainly grateful for the time we enjoy as educators to take advantage of the time to refresh and recharge. Every year we get a chance to reset. Administration at the central office will get a little time as well, but we have a number of projects to complete this summer in preparation of the new school year.

OWL Recognitions.

Thanks again for sharing OWL recognitions. We will get some more pictures to add to our website this week.

Have a wonderful week,

Jubal
