

## PowerSchool Parent Portal User Guide

PowerSchool Parent Portal is a tool that is integrated into the PowerSchool Student Information System. PowerSchool provides single sign-on access to parents/guardians for all your children in the student information system. Once your parent account is created, you can manage your account information, link any and all students in your family to one account and set email notifications.

### Create Account

To create your new account: go to the Albany County School District website:

<https://www.acsd1.org/acsd/>

Hover over the “Resources” tab

Click on the “Parent Resources” tab

Click on the “PowerSchool for Parents ” link

Click on “Create Account” and the Parent/Guardian Account page appears:

First Name	Enter your first name.
Last Name	Enter your last name.
Email	Enter your email address.
Desired User Name	Enter the user name you would like to use when logging into PowerSchool. The user name must be unique, so if you enter a user name already in use, you will be prompted to select another user name.
Password	Enter your desired password. The password must be unique and a minimum of 8 characters.
Re-enter Password	Enter your password again.

**Link Students to Account:** At this point, your previous user id and password are needed for each student in your family to create his/her link to your parent account. This information is found in the letter attached to these instructions.

Enter the following information for each student in your family:

<b>Student Name-</b>	<b>Access ID –</b>	<b>Access Password—</b>	<b>Relationship –</b>
You only need to enter the first name of your student.	This information is found in the attached letter. It is unique to each student in your family.	This information is found in the attached letter. It is unique to each student in your family. This information is case sensitive, so use capital letters if your password is capitalized.	A drop down is available. For example, if you are the mother, choose “mother-natural/adoptive.”

Once you have entered all the information for each student in your family, click “enter.”

If you are successful, you will receive the following message: Congratulations! Your new Parent/Guardian Account has been created. Enter your Username and Password to start using your new account. You only have to create your account once, and you will now continue using your new access.

If you are not successful, please check the following: you are using uppercase letters for the Access Password, or that you are entering the correct information for the Access ID and Password. If you forget your information and try to create your account again with the same email address, it will not let you and you will need to contact your school’s office for additional help.
