

Field Trip Permission Form
Albany County Sponsored Field Trips
Albany County School District #1
2020-2021

Throughout the school year we will be taking field trips as a part of our educational studies. By agreeing to this policy, you give your child permission to travel to all field trips sponsored by Albany County School district #1. A reminder will be sent before the field trips occur. Thank you for your cooperation.

I hereby authorize my child to participate in all Albany County School District #1 sponsored field trips during current school year. I attest to having knowledge of the risks involved in this activity sponsored or approved by Albany County School District #1. I understand that this student will be accompanied by adult sponsors during this activity and that the sponsors will exercise due diligence in supervising the student participating in this activity. I waive and release any and all claims or causes of action against the adult sponsors accompanying the student, its faculty, and administration for any and all property damages or personal injury suffered by the student as a result of participation in this event. Further, I grant full power and authority to the adult sponsor accompanying this student, in case of injury or sickness, to execute any requisite authority or release for the administering of medical treatment, surgery, or assistance, all in behalf of this student. Field trip permission must be granted before the field trips take place.

NOTES OR PHONE CALLS ARE NOT ACCEPTABLE.
