Message from the Principal:

Parents, as we head into this new year full of wonder and curiosity, here are some additions to the supply list for all students at Indian Paintbrush.

- A pair of basic earphones (please, not earbuds) with the 3.5mm jack for computer use. Please send these already sealed in a Ziploc type bag with your child's name on it.
- 1-2 water bottles that seal. The hope is that we can get into a routine of taking at least one home a night to be cleaned and still have one ready to go. Please label these with first and last name in as permanent a way as the bottles will let you!

A word about face coverings. We will provide white cloth face masks for your child, about 5 for the year. We would like them cleaned on a routine basis, so we are only handing out 2 to start the year. If you would like to provide a face covering for your student, you are more than welcome to. Please make sure that it would meet dress code standards for content, and, at a minimum, meet a basic cloth requirement for material. Having a clean extra or 2 in their backpack would probably come in handy on some days.

LABEL ALL CLOTHING ITEMS!
