Lab School Parent Group

FALL 2016

About Us

The purpose of UW Lab School Parent Group is to enhance and support the educational experience at the Lab School, to develop a closer connection between school and home by encouraging parental involvement, and to improve the environment at the Lab School through volunteer and financial support.

Sponsored Events

The Parent Group is planning to host a parenting seminar based on the feedback we received through our parent survey earlier this year. In addition, we hope to host another family movie night this fall. Stay tuned for more information!

Volunteer Opportunities

The Parent Group helps coordinate a number of events that require parent volunteers. Some examples include book fairs, musical performances, and teacher/staff appreciation week. As we approach the dates of these events, watch for sign-up sheets that will be circulated electronically.

Fundraising Activities

Because we know that families are busy and that fundraising projects that require student sales can be challenging, we're working to come up with alternative options for fundraising.

Amazon Purchases

One ongoing method of fundraising we will use this year will come from the Amazon Associates Program. Families and friends of the Lab School can participate by using [the link](#) below to purchase items from Amazon. There will be no additional cost to you, but the Lab School will receive a small percentage of each sale.

Please note that once you have clicked on this link, you can bookmark it so that you can support the Lab School each time you shop on Amazon.

Box Tops

The Lab School will also continue to collect Box Tops for Education this year. Make sure you set your Box Tops aside, and stay tuned for fun competitions and events!

Upcoming Events

The Parent Group is supporting these upcoming events:

Movie Night	December 2016
Book Fair	December 2016
Aristocats	Spring 2017
Parenting Seminar	TBD
Staff Appreciation Week	May 2017
