

Dear Laramie High School Students and Parents/Guardians,

I hope you enjoyed your Thanksgiving break. This newsletter contains a couple of new items and a few reminders.

**ACSD #1 Mobile Flu Clinic:**

Albany County School District #1's Mobile Flu Clinic will be held on Friday, November 30, 2018, from 6:30 a.m. – 1:30 p.m. Anyone wishing to utilize the mobile flu clinic will need to provide their insurance card to be immunized. If parents would like their child immunized, there will need to be a legal guardian present. Please see the attached flyer for locations and times.

**Teacher Phone Calls Home:**

With six weeks left in the semester, I have asked all teachers who have a student with a failing grade in their class to call home to notify the student's parent/guardian. Additionally, as another layer of communication, administrators, including myself, will run a grade report on December 14, and call home (for any student failing a class) the week before Winter break.

In the meantime, if you would like to communicate with any of our teachers about your child's academic performance in class, please visit the LHS website where you can find the faculty/staff list. Simply click on the *RESOURCES* tab at the top of the LHS webpage, select *PARENT RESOURCES*, and you will see the option for the email list. Below is the direct link to the email list:

**Reminder: PowerSchool and PowerSchool mobile app**

The end of the semester is rapidly approaching. With that comes anxiousness around semester grades. You can keep up with your child's grades by logging into the parent portal of *PowerSchool* (<https://ps.acsd1.org/public/>). Through *PowerSchool* you also have the ability to track your student's attendance and email your child's teacher. If you do not have login information, please contact Pam Fisher at (307) 721-4488.

Additionally, as you know, your involvement is essential in helping your child experience success inside and outside of LHS. If you have not taken advantage of the *PowerSchool* mobile app, please consider downloading the FREE program to your personal device. The *PowerSchool* app allows you to track real-time grades and, more importantly,

attendance. I have attached a document about the *PowerSchool* app, including how to download it, for your convenience.
