

10/16/2020

Good Afternoon, LHS Families,

Happy Friday!! Next week is parent teacher conferences, please make sure that you look at our upcoming schedule as there are only two full days and one half day of school next week. If you would like to meet with a teacher, please email or call the teacher you want to meet with to schedule that conference.

In our ongoing commitment to keeping LHS safe, I will continue to ask families to please communicate with our nurses' office with information concerning your child or members of your household that have been diagnosed with COVID-19 or are waiting for test results. If you have any questions or would like clarification on LHS' mitigations strategies or protocols regarding COVID-19, please give us a call.

CBVI

All students that would like to move to or from CBVI please contact the LHS Counseling Department before Monday October 26th so we can begin supporting your needs. Please remember that moving from one delivery model to another will affect your current schedule and current elective classes. Friday October 30th is the last day students can move to or from our CBVI instructional delivery model.

Daily Health Screener:

We are still trying to hit our 90% completion rate for daily health screeners for students. The [health screener](#) is accessed through the same parent PowerSchool account that you used to register your student. If you have questions about how to access the screener after setting up a parent PowerSchool account, please call LHS, and someone will help you.

Parent Teacher Conferences: October 21st & 22nd

This year all parent teacher conferences will be held over the phone or on a Zoom Conference Call. Teachers will be reaching out to parents to set up appointments. Students of concern will be prioritized, if you would like to meet with your child's teachers regardless of how they are doing, please reach out to that teacher to schedule an appointment.

Parent Teachers Conference Week – 10/19-10/23

Monday	Tuesday	Wednesday	Thursday	Friday
10/19	10/20	10/21	10/22	10/23

“A” Day “B” Day ½ Day I&E* No School No School

*We will follow our usual Friday Schedule for students to come in for additional support

Fridays and Virtual Days

We continue to have a lot of students show up for additional support Friday mornings at LHS from 7:55am to 11:25am. This time is specifically designed to help support LHS Students. Please

remember if you would like to have your student come to LHS during their virtual days, we can provide a supervised environment as well as have a conversation on what academic support we can provide. Please contact an LHS Administrator for more information.

New 4 day In-Person Opportunities at LHS

Starting on Monday October 26th Laramie High School is developing a program to support students 4 days a week (Monday – Thursday) in academic content for the following classes:

<i>English/Language Arts</i>	<i>Math</i>	<i>Science</i>	<i>Social Studies</i>
English 9	Algebra 1	Biology	Modern American Studies
English 10	Geometry	Earth Science	American Government
	Algebra 2	Chemistry	

Students will have the opportunity to opt into attending in person classes on their Virtual Day that directly supports these core curricular areas. Professionals that will support these classes will work directly with your students’ teacher to ensure appropriate academic support is being provided. Students that opt into this program are committing to attending these in person classes for the remainder of the semester. To ensure that we are not exceeding ACSD #1 mitigation strategies expectations LHS will evaluate how many students enroll in this program before we can expand to other curriculums. If your child needs academic support in classes not listed please contact an LHS Administrator to discuss opportunities to develop supports for your child. If you are interested in signing your child up for this opportunity or you would like more information, there will be an email on Monday October 19th with additional details and information on how to sign up.

From the Nurse’s Office

Over the past 4 weeks, we have seen an increase in COVID-19 cases in Albany County and many of these cases are affecting the families of students in the district. We are finding that teenagers being diagnosed with COVID have very mild symptoms (sore throat or congestion) and do not necessarily run a fever or have a cough.

If your student is sick, please keep them home and have them do their schoolwork virtually. Students may return to school if they have seen a doctor OR they have been fever free without medication for 24 hours & their symptoms are gone. If your student has no known exposure to COVID and they have a negative test, please keep them home until they meet the return to school criteria.

If you were told your student was exposed to a COVID positive person, a **negative** COVID test does not let them come back to school. If your student is identified as a close contact to a person with COVID, they will have to quarantine for 14 days even if they have a negative test. A close contact is “someone who was closer than six feet for 15 minutes or more with a person who tested positive for COVID”. A close contact can be a family member, friend, teammate, coach, co-worker, etc. You may be considered a close contact whether a mask was worn or not. Guidelines regarding COVID change frequently and guidance from the State can take time to receive. The school nurses are diligent in keeping up with the newest information. If you have any questions or concerns, please contact us.

Call 721-4420 or e-mail us at kquillinan@acsd1.org or bwoodhouse@acsd1.org

From the LHS Counselors

Just a reminder that the counseling department is pushing out email information to families. Please make sure that your email information is correct in PowerSchool, so we are getting you all the important information from the Counseling Office. If you are having problems or need any support, please call the LHS Counseling Department at 307-721-4488

GEAR UP is accepting applications! GEAR UP is a federal program that offers scholarships for college, ACT fee waivers, online tutoring services, FAFSA assistance, and scholarships for college. Did we mention they offer scholarships for college? For more information please contact our GEAR UP Coordinator Taylor Guerra at (307) 287-9588 or tguerra@lccc.wy.edu. You can also apply online

at: <https://www.cognitofrms.com/LaramieCountyCommunityCollege1/GEARUPWyomingApplication>

The LHS Counseling Office has created an engaging program/game allowing you to chart your college/career path. **LHS CHASE YOUR FUTURE** will have ongoing tasks and missions, which upon completion will enter you into drawings for local business gift cards and fabulous LHS swag.

More importantly, it will keep you on track to meet school, community, career, and college goals. Please see the attached "Sr. Goose Chase" attachment: [Senior Goose Chase.docx](#)

Picture Retakes

Picture retakes are scheduled for:

Tuesday October 27th from 12:00pm to 3:00pm

Wednesday October 28th from 8:00am to 11:30am

***CBVI students are welcome to come in anytime during those times

Upcoming Schedules

Reminder: LHS Website:

We are keeping the LHS website up to date with all of our information as we get it. This includes updates to activities. You can print off the current Fall Activities schedules for the programs that have finalized schedules, and you can sign up as an observer for your child(ren). Directions to sign up can be found on the LHS website. Below is the address to the LHS website: <https://www.acsd1.org/lhs/>. It is another active weekend for LHS sports and activities.

As always, thank you all so much for your support and flexibility especially for how we started this year. If you ever need anything please feel free to reach out to any of the LHS

Administrative Team:

Principal: Jeff Lewis – JLewis@acsd1.org
