Good Afternoon, LHS Families,

Happy Friday, In our ongoing commitment to keeping LHS safe, I will continue to ask families to please communicate with our nurses' office with information concerning your child or members of your household that have been diagnosed with COVID-19 or are waiting for test results. If you have any questions or would like clarification on LHS' mitigations strategies or protocols regarding COVID-19, please give us a call. I know that much of what you read doesn't change from week to week, but I want to make sure that this information is always available to our community and as information changes we will be sure to keep you up to date.

Fridays & 4 day In-Person Opportunities at LHS

We continue to have a lot of students show up for additional support Friday mornings at LHS from 7:55am to 11:25am. This time is specifically designed to help support LHS Students. Students also have the opportunity to opt into attending in person classes on their Virtual Day that directly supports these core curricular areas 4 days a week (Monday – Thursday). Professionals that will support these classes will work directly with your students’ teacher to ensure appropriate academic support is being provided. Students that opt into this program are committing to attending these in person classes for the remainder of the semester. To ensure that we are not exceeding ACSD #1 mitigation strategies expectations If your child needs academic support please contact an LHS Administrator to discuss opportunities to develop supports for your child.

If you are interested in signing your child up for this opportunity ***please contact the LHS Counseling Department at 721-4488 for more information*** (Additional details were sent out on October 19th at around 3:17pm from Laramie High School Communications)

From the Nurse’s Office

Unfortunately, we continue to see an increase in COVID-19 cases in Albany County and many of these cases are affecting the families of students in the district. We are finding that teenagers being diagnosed with COVID have very mild symptoms (sore throat or congestion) and do not necessarily run a fever or have a cough.

If your student is sick, please keep them home and have them do their schoolwork virtually. Students may return to school if they have seen a doctor OR they have been fever free without medication for 24 hours & their symptoms are gone. If your student has no known exposure to COVID and they have a negative test, please keep them home until they meet the return to school criteria.

Guidelines regarding COVID change frequently and guidance from the State can take time to receive. The school nurses are diligent in keeping up with the newest information. If you have any questions or concerns, please contact us.

Call 721-4420 or e-mail us at kquillinan@acsd1.org or bwoodhouse@acsd1.org

From the LHS Counselors

Seniors, there is a lot happening right now. Such as;

- The FAFSA is open
- Daniels Fund Scholarship deadline is approaching
- The Goose Chase challenge leaders are thriving
- Check the Scholarship Page on the Website (<https://www.acsd1.org/lhs/laramie-high-school-counseling/> or <https://www.acsd1.org/lhs/scholarships/>)

It could be in your best interest to meet with your counselor on your virtual day (either in person or via Zoom) to ensure you're relishing your senior year, staying well ahead of deadlines, and remaining in the running for one of the four big money scholarships from our Goose Chase challenge.

Just a reminder that the counseling department is pushing out email information to families. Please make sure that your email information is correct in PowerSchool, so we are getting you all the important information from the Counseling Office. If you are having problems or need any support, please call the LHS Counseling Department at 307-721-4488

The LHS Counseling Office has created an engaging program/game allowing you to chart your college/career path. **LHS CHASE YOUR FUTURE** will have ongoing tasks and missions, which upon completion will enter you into drawings for local business gift cards and fabulous LHS swag.

More importantly, it will keep you on track to meet school, community, career, and college goals. Please see the attached "Sr. Goose Chase" attachment: [Senior Goose Chase.docx](#)
