

2/13/2021

Good afternoon LHS Parents,

I would like to correct my communication from yesterday. LHS ***will not*** be continuing with its current bell schedule on March 22nd. We are currently making the appropriate changes to our bell schedule that will dismiss students at 3:00pm Monday thru Friday. I wanted to communicate this information out as soon as possible so members of the community can begin making the appropriate schedule adjustments. I will communicate the Tier 1 bell schedule by the end of this week (2/19/21).

Again, I apologize for the miscommunication, please remember that these changes will not be in effect until Monday March 22nd 2021.

Thank you,

Jeffery D Lewis

Principal

Laramie High School
