Good Afternoon, LHS Families,

Happy Friday!!

I also wanted to wish the best of luck to the following teams participating at State events today: Boys Indoor Track and Field (Girls will participate next week), Wrestling and Nordic Ski. I also wanted to congratulate all of our students that participated in FFA, DECA, Speech and Debate and All-State Music Honors from this past week. In our ongoing efforts to successfully transition to Tier I learning while maintaining as much consistency as we can, Laramie High School will continue to operate our seven-period bell schedule Monday through Thursday with slight time modifications to accommodate a 3:00pm dismissal. Laramie High School's Friday schedule will look different as students will follow a **modified** 1-7 bell schedule that will conclude at 1:10pm immediately followed with

our Intervention and Enrichment (I&E) Block. I&E will run from 1:10pm to 3:00pm on Fridays to allow for students to complete projects, assessments, or labs that require more than a 50-minute window of time. Laramie High School has utilized this type of additional support (also formerly known as Student Enrichment Block or SEB) for almost 20 years and teachers have come to rely on this opportunity to target specific students in specific ways to support their success. Students may be released from I&E if they are passing all classes and the students' parent/guardian choose to excuse them. During this block of time, no new instruction will be presented, but students will have access and opportunity to improve or enrich their comprehension of the curriculum, make up assignments, or complete assessments. Transportation will remain the same in the morning, and we will have transportation for students on Friday that are dismissed early as well as students that are expected to attend I&E.

### ***CBVI Information***

Any Students that would like to discuss opportunities to move to CBVI instruction please contact Laramie High School or email [lhscounselors@acsd1.org](mailto:lhscounselors@acsd1.org) before March 12<sup>th</sup> so that we can best support our students. When interested families call to either move in or out of CBVI, Laramie High School Staff will take down their information so that a member of the counseling team can begin assisting that transition. Students returning to in-person learning from CBVI will begin classes on March 29<sup>th</sup> while students transitioning to CBVI will be able to begin on March 22<sup>nd</sup>. If you have any additional questions please contact a member of the LHS counseling team.

Students that are staying with the CBVI program should not see any changes in their schedule. Additional supports are being put in place for students that would like additional help or are completing credit recovery. If you have any questions, please reach out to your child's teacher.

### **From the Nurses Office**

In order to return to school, students who are sick need to have one of the following:

- Written proof of a negative COVID test
- A note from a doctor with a diagnosis

- Stay home for 10 days

If you are waiting on COVID test results, please do not send your student to school, sports, or activities until you have the results back.

- Symptoms of COVID in teenagers are: sore throat, mild congestion, and fatigue.
  - o Most teenagers **do not** have a cough or fever.

If you have questions or concerns regarding illness or COVID, please contact one of the school nurses.
