

It's time to take the WYTOPP, our annual state assessment. LMS CBVI students need to take this test at our school. It cannot be done remotely. Students will come to the school on the times and dates below. They should report to the red tile by the front doors and someone will be there to escort them to their secure testing locations. Students do not have to stay the entire time if they finish early. Students will need to bring their Chromebooks fully charged. If you have any questions, please email Mrs. Barham at [abarham@acsd1.org](mailto:abarham@acsd1.org) or call her at 721-4430.

**Friday, April 16:**
