

# Laramie County Community College - Albany County Campus

## Spring 2021 Life Enrichment Courses - March

### KIDS' 3D PRINTING @TheACCinLaramie

#### Kids' 3D Printing @TheACCinLaramie

Make a drawing come to life with our Kids' 3D Printing Class! This course is designed for students aged 10-14 and provides a first-hand look at the techniques behind 3D printing. Learn about the machinery and tools from the prototyping stage to full production; and then use design software to create two of your own detailed digital models to keep.

**When:** March 23, 24, 25 | 3:30- 5:30PM

**Where:** ACC Campus

**Participation Cost:** \$40

#### DIY Spring-Themed Burlap Ruffle Wreath @TheACCinLaramie

Brighten up your home décor with a fresh spring Burlap Ruffle Wreath! Learn how to assemble a basic style burlap wreath and customize with BOW-tiful spring embellishments! (Picture shown as representation. An assortment of materials and colors will be supplied.)

**When:** Saturday, March 27th | 12:30pm-4:30pm

**Where:** ACC Campus

**Participation Cost:** \$50
