FIELD DAY

On Friday, June 4, we will have field day for all students. Please help your student remember to dress appropriately for typical Wyoming spring weather. It could be cool, it might be hot, but be prepared either way. It's also important to have appropriate shoes for running and jumping in the grass as well as the gym. We are excited to have a fun last day with the students! Mr. Alexander has done a fantastic job creating stations for the students. Thank you for putting this together Mr. Alexander!

LAST DAY OF SCHOOL

June 4 is the last day of school for all students in Albany County School District One. Rock River will release students at 11:35am on June 4. Teachers will have the rest of the day to work together preparing for summer. All students will be checking in devices on June 3. If your student has their device at home, please help them remember to bring it in on June 3. Any other school items such as athletic uniforms, textbooks, library books, or other school property must be checked in by the end of the school year. Check out day will be on the last day for secondary students, just before field day.
