STUDENT INFORMATION UPDATE

We are updating our student records with the **Power School On-Line Registration and records updating system** for our District. Emergency and Health information forms are on-line.

Your log-in information was mailed to you recently. We ask that you complete the update promptly so that we can maintain our records. A computer is available in our office if you do not have internet access. If you prefer a paper copy or need assistance, please contact Jerri at 721-4410.

Your student(s) will also be bringing home additional information throughout the first weeks of school. Please take time to view our school website at www.acsd1.org/sces/ for current information.

IMMUNIZATION REMINDER

If your student's immunization record is **NOT** up to date, please provide us with current information. State law requires that immunizations be current within the first 30 days of school. If immunizations are not in compliance by that time, a student may be excluded from school.
