Retire the colors: Student Council

Congratulations to all award recipients today. We are proud of each of you! And . . . we are proud of every student at Spring Creek. We could not ask for better kids than the ones we have! Thanks to all teachers and parents for working together through past years for the success of our children. We are glad you could be a part of our celebration today.

Fifth graders and their parents are invited to stay for a small reception at the conclusion of the assembly.
