STUDENT ASSESSMENTS

Our students are preparing to take the Wyoming Test of Proficiency and Progress (WY-TOPP). WY-TOPP is a system of assessments in English language arts, mathematics, and science. The WY-TOPP interim assessments in reading, writing and mathematics were administered in fall for grades 1-5. The winter assessment window will start January 15th for grades 3-5. Students will take the WY-TOPP again in the spring. K-2 will take the test for reading and math, grades 3 and 5 will take reading, writing, and math, and grade 4 will take reading, math, and science.

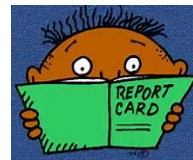

POWERSCHOOL FOR PARENTS

Remember to set up your **PowerSchool Account** so that you have access to your student's report card.

PowerSchool Parent Portal is a tool that is integrated into the PowerSchool Student Information System. Use this to check your child's **lunch account balances, e-mail teachers, and view report cards!**

PROGRESS REPORTS

The first semester ends on Friday, January 18th! Progress Reports will be available for on-line viewing only beginning **Wednesday, January 23rd**.

Using this method of delivery allows us to be more efficient with both our time and taxpayer resources.

COLD TEMPERATURES

Winter is here! Please "encourage" your child/ren to dress warmly. **A coat, hat and gloves are needed daily!**

Unless the temperature is below zero with the wind chill, students are expected to be outdoors during their recess times.

Set your homepage to <https://www.acsd1.org/sces/> for current school information!

LOST & FOUND

Remind your child to check the **Lost & Found** Rack in the gallery. We have several coats, hats, etc.!
