

Spring Creek Elementary

"Educating all students to reach the peaks together by expecting success and celebrating achievement."

Dear Students and Parents,

We are pleased to announce that our school is participating in the SUMMER READING PROGRAM sponsored by the Wyoming Association of Elementary and Middle School Principals. This program is intended to promote continued reading during the summer months. We are sure you realize the importance of reading to maintain skills that have been learned during the school year. Reading is also a superb way of broadening and enriching your child's world.

To simplify we are asking that you do two things:

1. Together as students and parents select good books to read regularly during the summer, visit the library often, and do all you can to promote reading as one activity that can be fun during the summer. In short, make books and time available for reading during the summer. Students who do not yet read may count the time that they listen while others read to them.
2. Keep an accurate record of the number of **minutes** spent in reading this summer and return that record at the beginning of the school year. The attached record sheet is provided for your convenience.

Students who participate and read during the summer will receive a beautiful certificate of participation. Other prizes may be given for high achievement by their individual school.

We encourage all parents and students to participate in this program and have an enjoyable time discovering the wonders that exist within the cover of a good book. We believe this is a good program for young people and support it wholeheartedly.

Sincerely,

Principal
