

Spring Creek Elementary Communicator

Dear Spring Creek Families,

We know how important it is to stay up to date with information about your kids' school. To help with this, Spring Creek Elementary has been using a new communication tool: Spring Creek Elementary Communicator. Now instead of hunting for school flyers in your child's backpack, you will receive regular updates about the goings on at our school via your email account. (Watch for emails from "Spring Creek Communications".) This will allow us to communicate directly with you and will save plenty of paper and time for our school staff.

Please note that you will still receive paper flyers for district-wide announcements from outside organizations. We will be using the Spring Creek Elementary Communicator as a tool to disseminate only school-related information. Please read these notices carefully, as they will be our main method of communicating with parents.

If you do not have an email account, please let the classroom teacher or our secretary, Jerri know. We are happy to send copies home with your child. All information sent to families is available in our Information Rack located in the front gallery.

Also know that unsubscribing from these emails will prevent you from receiving any future school flyers and newsletters. We know how much you value your children's education, and we want to do the best to keep you well informed.

Thanks for being an active and involved member of the Spring Creek community!
