

You are invited to the **2019 4-H Project Exploration Day!** This is a great chance to learn about all 4-H has to offer. We would love for you to consider joining! You do **NOT** have to live in the country or be able to have animals. 4-H is so much more than livestock!! Or, if you are a 4-H member you can learn about other projects that you might be interested in. The event is free to attend.
