

Instructions for Parents to use the HealthEd Check app from a SmartPhone

PowerSchool has an app for parents to follow their students' progress in school, *unfortunately*, it's not customizable for individual school districts. If parents/guardians want to use the HealthEd Check link on their phone, they must use the link for their PowerSchool Parent Portal account.

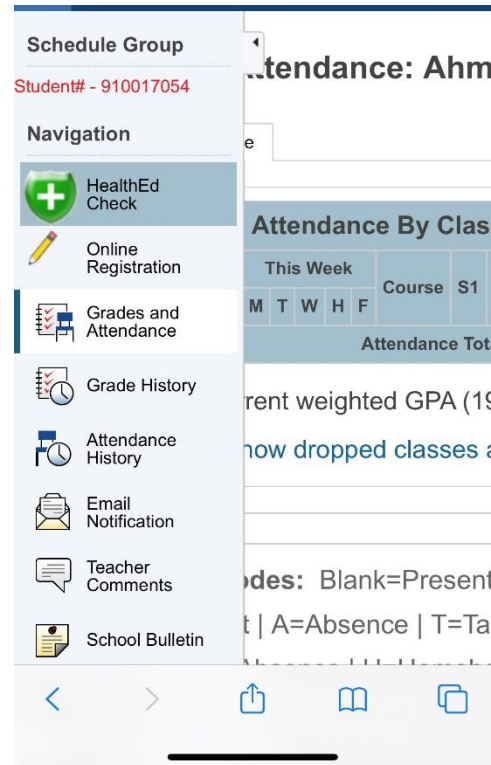

Go to the PS Parent website for ACSD #1:

<https://ps.acsd1.org/public/home.html>

Log in on this screen with parent login credentials:

Once you open up the left icon menu, you will see the green HealthEd Check icon. Click on that icon and complete the questionnaire for each of your students.

If you do not see the icons on the left menu, you may need to click on the left gray arrow highlighted in yellow to open up the menu:
