IMPORTANT DATES THIS MONTH:

Picture retakes are **Thursday, November 1st**. Lifetouch will be here to retake student photos. Purchase and exchange information has been sent home. You may order online by visiting mylifetouch.com. Our Picture Day ID is **CG218183Y1**.

Daylight Savings Time officially ends on Sunday, **November 4th**. Enjoy that extra hour of sleep! Make sure you set your clocks **BACK** 1 hour on Saturday night (November 3rd).

Nurse's Notes: Cold and flu season is upon us and with the colder weather approaching we will be indoors for extended periods of time sharing each other's germs. The signs and symptoms of influenza vary among age groups, but the most common ones are: fever or feeling feverish (causing chills), cough, sore throat, runny or stuffy nose, muscle or body aches, headaches, fatigue (tiredness), and some people may have vomiting and diarrhea, though this is more common in children than adults. There is a vaccine available to reduce your risk of getting the flu.

Persons with these symptoms should remain at home from work and school until 24 hours after their fever breaks without the use of fever reducing medications. If you are concerned about whether your child should remain home from school for a longer period of time please contact Susie Kidwiler, RN at Slade Elementary at 307-721-4446.

Fundraising Help: We collect Box Tops for Education here at Slade so keep clipping those items! Box Tops are collected by each classroom teacher and used to help our PTA raise money.

The Slade PTA also raises funds for our school via AmazonSmile which donates a small percentage of every purchase to your chosen organization. Every time you buy an eligible item through AmazonSmile, the Slade PTA receives a small percentage of the sale.

Lost & Found: Please check our Lost & Found section for missing coats, hats/gloves, lunchboxes, water bottles, etc. We keep smaller items found in the front office.
