October 9th, 2020

Parent-Teacher Conferences:

We are looking forward to talking with you via Zoom video conference or telephone conference during the week of October

19th. We are continuing our online registration for conferences this year. Please use this link to schedule your conference time:

https://www.ptcfast.com/schools/Slade_Elementary

It is so important to us that parents and teachers communicate because it provides an opportunity for each child to reach their maximum potential both in the classroom and outside of the classroom!

Our goal for Parent-Teacher Conferences is to have positive communication between our school and families as we work together to increase each child's overall academic success.

We want to build communication and goals that:

1. Show each child that we care and want the best for him or her
2. Help each child continuously improve and stretch their learning
3. Provide support for each child to complete tasks and achieve goals
4. Hear each child's voice and allow shared decision making
5. Expand the possibilities for each child by connecting to new learning and opportunities

Together we can help each child grow into the mindset that they can accomplish anything through hard work, learning from mistakes, and striving for goals.

Air Quality Monitoring:

We are currently monitoring the air quality around Slade throughout the day to ensure students and staff remain safe and healthy. As per district guidelines, we are using the website: www.purpleair.com which tracks air quality using three local sensors in the Laramie community.

Our current guidelines are:

- **Below 150** – recess as normal
- **Between 151-200** – limited 15 minutes recess
- **Over 200** – No outside activity

Early Release Days:

Friday, October 16th & Wednesday, October 21st, are both half days of school with students dismissed at 11:30 am. Students who ride a bus will be dismissed at 11:25 am. Please arrange to have your child(ren) picked up no later than 11:35 am on these days. Thank you!

No School Days:

There will be No School Thursday and Friday, October 22nd and 23rd due to Parent-Teacher Conferences.

Halloween Expectations:

We will be celebrating Halloween this year at Slade with modifications due to current health and safety guidelines. Students may wear a costume to school that meets the following expectations:

- Comfortable and easy to wear for regular classroom activities
- No blood, gore, or weapons
- No costume masks or face paint

We will have classroom celebrations with only store-bought treats. Unfortunately, we are not able to have a parade or invite families into the school. Thank you for your understanding.

Look for detailed information about classroom celebrations from your child's teacher!
